

# Trending Topics for Healthcare Leaders: Collaborating to Shape a Culture of Health

## Nebraska Action Coalition's 5th Annual 2018 Fall Leadership and Culture of Health Conference

For RNs/Nursing Leaders and  
Interprofessional Healthcare Professionals

**November 2, 2018**

**8:00AM - 4:15PM**

**6.25** Contact Hours

Keynote Speaker  
**Kupiri Ackerman-Barger**  
PhD, RN

Asst. Clinical Professor at Univ. of California-  
Davis and Diversity Consultant for the national  
Future of Nursing: Campaign for Action.

## GLOBAL OBJECTIVES

- 1 Describe how healthcare leaders in interdisciplinary teams can incorporate emotional intelligence and resiliency to collaboratively shape a Culture of Health.
- 2 Discuss public health departments' use of assessments and plans to build healthy, equitable communities.
- 3 Examine the importance of recognizing diverse needs and the challenges of health literacy as first steps to improve health equity and well-being for varied patient populations.
- 4 Discuss the synergy between healthcare leaders and emerging interdisciplinary roles, such as Community Health Worker, while considering issues of regulation/supervision/policy.
